THE BAHAMAS - MAY 17-21, 2023
AD PROPOSAL**

INTRODUCTION

Rotary International is an international service organization whose purpose is to bring together business and professional leaders in order to provide humanitarian services, encourage high ethical standards in all vocations and to advance goodwill and peace around the world.

Rotaract has been elevated! We are a member-type of Rotary and our clubs bring together people ages 18 and older to exchange ideas with leaders in the community, develop leadership and professional skills, and network through service.

In communities worldwide, Rotary and Rotaract members work side by side to take action through service.

VISION

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.
